**"Children First"**

3<sup>rd</sup> November 2023

Dear Families,

I hope you have all managed to weather the storm we have had over the last couple of days! I know some families experienced flooding in and around their homes and we really appreciate that you still managed to get your children into school!

During our assemblies this week we have been learning about and thinking about both Guy Fawkes and the story of The Windrush Generation. The children were able to share their extensive knowledge with one another and to build on their prior learning. They were so proud of all they knew and remembered!

We also reminded everyone about how to keep safe around fireworks.

We know that this time of year can also be challenging for families coping with anti-social noise and have been provided with this advice from the Police.

Published: 31/10/23

### **#RememberRemember your rights around noise complaints**

- Noise disturbance is by far the most common type of anti-social behaviour reported.
- Firstly, we strongly suggest you attempt to have a reasonable discussion with your neighbour.
- Your next step is to report to your local authority - find out how on [www.asbhelp.co.uk](http://www.asbhelp.co.uk)
- For noise to be considered a statutory nuisance it must meet one of the following legal tests:
  1. Unreasonably and substantially interfere with the use or enjoyment of a home or other premise
  2. Injure health or be likely to injure health
- For more information or help go to the ASB Help website [www.asbhelp.co.uk](http://www.asbhelp.co.uk).

### **Ofsted Inspection**

In other news, we have received our Ofsted Report following our Inspection before half term. A copy of the report is attached with the newsletter and I am sure that when you read it, you will be as proud as I am. We have all worked together, children, families and staff to ensure that our school is a place where children are happy and safe.

*"Pupils love coming to this friendly and welcoming school. They feel happy and are safe. Pupils said they are valued, cared for and respected as individuals."*

The Inspection Team concluded that:

*“Pupils demonstrate excellent behaviour across the school”*

and having watched lessons, talked to many, many children, staff and families they judged the school as **Outstanding for Behaviour and Attitudes!**

*“Pupils’ behaviour is exemplary in classrooms and around the school. They work hard in lessons, show maturity and focus well.”*

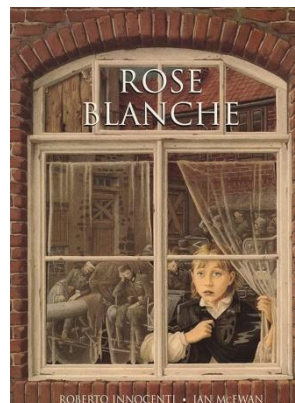

We can only achieve these fantastic outcomes with your support and consistent interest in the children’s learning. Ofsted noted your comments and were delighted to report

*“Parents and carers are positive about the school and the nurturing experiences their children have.”*

These are just a few of the comments that have been made, there are many more! Enjoy reading the report!

### Book Recommendations

This is a beautiful book which tells the story of a young German girl, who watches the changes happening in her town during the war. Rose Blanche by Roberto Innocenti and Ian McEwan.

### **Sports Personality of the week!**

This week Sports Personality of the week goes to ..... **Believe** (Lilac)

Believe had an impressive sporting week. On Tuesday, Lilac class started basketball lessons for this term. Mr. Samuel was pleased with Believe's ability to remember all the keys skills from previous years and showcased some amazing dribbling skills throughout the lesson. Mr. Samuel is also looking forward to seeing how he continues to use other basketball skills in order to make him and his team successful in other fun basketball activities throughout the term. Moving on to Wednesday, Believe was one of our amazing pupils who represented this years' boys football team. The boys travelled to Edmonton Power League and battled in two tough games drawing 0-0 in both games. Needless to say, Believe had a fantastic game in both matches, making sure Fleecefield didn't concede a goal, his communication skills with his centre back partners, Takai and Abdul Hakeem were key to making sure Fleecefield's defence was solid throughout.

Quite the week for Believe, well done!

### **Boys Football Match Report**

#### **Fleecefield 0-0 Wilbury**

Well done to our year 5-6 boys football team! They played two tough games on Wednesday. Our first game was against Wilbury. After a shaky first half which even saw Mihai hit the post, our boys pulled out all the stops to try and get the win in the second half. The boys showed great courage and were very unlucky to not win and take all 3 points.

#### **LAS 0-0 Fleecefield**

Our second match was against Latymer All Saints. The boys gave it their very best but was very, very, very unlucky not to score and take something from the game. A sublime performance from our goalkeeper Mason and our amazing defenders Believe, Takai and Abdul - Hakeem who made sure we did not concede.

Our boys did very well, to play two tough matches back to back and not concede one goal is something that doesn't often happen. Our boys should be extremely proud of their efforts.

Special mention to: Adam, Believe (Lilac) Takai, Mason, Mihai, Ali. I, Ibrahim (Indigo) Burak, Aras, Can, Jusri (Grey) Abdul Hakeem & Trevaughn (Violet)

Have a good weekend everyone and see you on Monday from 8.30am.

Yours sincerely,

*A Goldwater*

Antoinette Goldwater
