24th November 2023

Dear Families,

This week began with the choir heading out to Southgate on Monday morning to take part in a Choir Festival with many other Enfield Schools. Miss Johnson returned to school beaming and reporting that she was so proud of each of them!

Year 2 travelled by train and bus to Hackney Farm this week and learned about animals – up close!

Year 1 visited All Saints Church as part of their RE learning and Year 6 joined a Transport For London presentation this afternoon! Busy, busy, busy!

End of term parties

At this time of year, we take the opportunity to celebrate all of the Winter Festivals together with a party and this year we are holding the parties on Tuesday 12th December. Your child can come to school that day dressed in party clothes if they would like to. We are requesting a £1 contribution from each child to pay for the party food. Staff will collect the money and will buy the food to ensure that all children are included and allergies are considered.

Our book recommendation this week is...

Miss Lewis recommended this week's book as a personal favourite of hers. The Angel of Nitshill Road by Anne Fine

Two Sports Personalities this week!

Marissa (Pink)

Marissa has had a great sporting week during her PE lesson and after school club. Firstly, on Monday, Pink class continued their football lessons and Mr. Samuel was very impressed with Marissa's dribbling skills. She showed really good close control, remembering to use her inside and outside foot while dribbling and using the sole of her foot to stop the ball. Moving on to Thursday, Marissa has signed herself up for 'Year 3 & 4 gymnastics' after school club. Both Miss Lawrence and Miss Dogan have been very impressed with how much development Marissa has made since her very first session. Marissa has also stated she has been practicing very hard at home to get better and it showed with a perfectly executed cartwheel which she performed. Her commitment to get better is something we are all proud of and hope she continues throughout her time at Fleecefield.

A big well done, Marissa!

Abdulahi (Orange)

Abdulahi had a very good PE lesson on Monday. Orange class have been continuing their gymnastic lessons and Mr. Samuel has been very pleased with Abdulahi's effort throughout his lessons. His desire to perfectly execute each balance he has learnt along with his perfect landing when jumping off gymnastics tables carefully onto a gymnastic mat is something he should be very proud of. Abdulahi is also one of the many children who is extremely active during lunchtimes, every day he always asks for a 'ball' to either play football, basketball or champ. Whatever the sport, he just wants to play and be active!

Keep up the great work Abdulahi!
