Dear Families,

What a super busy week! We had so much to celebrate – here are some of the highlights!

On Wednesday we revealed the recipient of this year's Friendship Cup award and we were delighted to welcome Elpida Theophanous to present the cup and trophy. The Friendship Cup is awarded every year to a person who had consistently demonstrated friendship often in the face of challenge and adversity. The Cup is in remembrance of Andreas Theophanous and Elpida reminded us about her father, how from great poverty and with little English he came to England and through resilience and kindness and friendship to those he met, led a very happy family and professional life. The picture below shows Omar Khalil, Elpida and Omar's mum and baby brother and sister.

The citation for Omar said: Omar is a kind and reliable friend. He is very caring towards his peers and he works well in a group or in pairs. He shows our school values in class and in the playground. He can work with everyone in class and is very engaged in talk time and PSHE showing others how to talk about their feelings as well as how others feel. Well done, Omar!

Boccia Borough Championships

A huge congratulations to our amazing Boccia team, who not only represented our school at the annual Boccia competitions, but also were able to come in **first place** and won the whole tournament. Our amazing children beat the very best Enfield had to offer, they have been practising all year and it showed by winning all 6 matches including the final against Fern House Primary School. Throughout the tournament our children competed against children from both primary and even secondary school students and came up victorious in all their games. Their dedication throughout this year along with their courage to represent our school and then compete fairly against other students is something we at Fleecefield are very proud of. A big well done for their achievement.

A very very very special congratulations to our Superstars: Tyianne, Lara (Violet), Tadeusz (Grey) Mohamed Barre & Teodora (Lilac).

Our book recommendations this week...

This week we have two recommendations. Firstly, from Anaelle and Tamara, Ping and Pong Are Best Friends (mostly) by Tim Hopgood. A story about the ups and downs of friendship. It made them both laugh and the girls were very keen to share it!

Our second book recommendation comes from Sakeef and Zainab, Don't Spill The Milk by Stephen Davies and Christopher Corr. Sakeef and Zainab told me it was about an adventurous girl and her love for her daddy. Enjoy!

Curriculum

During the Autumn Term you were all invited to attend a meeting to find out about our curriculum for your child in their new year group, this included how we teach Relationships and Health Education. If anyone would like a reminder or to see the resources that the children will be using during these lessons please let your class teacher know and we can arrange for you to see them.

Sports Personality of the week!

This week's Sports Personality of the week for last week was... **Yasser!**

Mr Samuel was more than impressed with Yasser in his PE lessons last week. Yasser was able to answer almost all question that were asked. He was also able to show some lovely demonstrations during his gymnastic lesson to show the class exactly how to perform certain activities. His ability to improve and attempt all challenges is something that struck Mr Samuel.

Great job Yasser, keep up the great work!
