Dear Families,

This morning your children met with their new class staff teams. They have had a good day getting to know each other and familiarizing themselves with the classrooms and routes around the school to get to important places. For some children they had a simple move to next door or across a corridor, for others they have new stair cases and toilets to find!

This experience is vital in supporting the children to be confident and to reduce any anxiety or concerns.

At the end of today and tomorrow you will need to collect your children from their new collection points.
