“Children First”

21st October 2022

Dear Families,

On behalf of all of the staff, I wanted to thank you for the tremendous turn out at the parents evenings this week. It was great to be able to welcome you into school to see the fantastic work that the children have been doing this term and for them to show off their learning and knowledge.

We know that during the half term break families may celebrate Halloween and our local police have sent out the following advice:

Halloween can be a great and fun time, but for some people, it's not an enjoyable day and they may get scared or frightened by other's actions.

It is important to remember to be aware of your behaviour and to take the simple steps to remain safe.

- If children (and parents) are planning to go trick or treating, we ask that you consider the following advice to help you stay safe and not cause distress to others:
- Never go trick or treating alone and always take an adult with you.
- Don't knock on the doors of strangers (or look out for signs that trick or treaters are welcome, such as Halloween decorations).
- Keep your Halloween 'tricks' safe - damage to property or hurting someone is a crime. Threatening and abusive behaviour can amount to an offence too.
- Remember road safety rules, particularly after dark. Wear something bright so that drivers can see you.
- If you are planning on hosting your own firework party make sure you tell all your neighbours, especially those with pets who may be affected by the noise.

Please have fun and stay safe.
