Dear Families,

We have had some lovely comments from visitors to the school over the last few weeks, comments about how smart the children look in their uniforms, how polite they are, how well behaved they are, how caring and kind they are. This will not be a surprise to you but I knew you would like to hear that other people genuinely notice these things and reported them to me. As a school we are so successful because of the partnership we have with you as families and we are so grateful for the support you give us especially in relation to our expectations and values. Thank you.

Respect, Resilience & Responsibility

The results of our survey to find out if families would be interested in after school wrap around care, of the 37 replies, 18 families expressed an interest and we are tendering to find a suitable provider. We will let you know once a provider has been approved.

Sleeping Beauty Pantomime

Last week our Nursery, Reception, Year 1 and 2 were treated to a wonderful performance of Sleeping Beauty. The children were enthralled by the magic of the story and the thoroughly enjoyed a superb show. On this occasion we had decided to bring a panto into school for our youngest children, as this was a much cheaper option than visiting a theatre. The children had a wonderful experience.

Book Recommendations

There have been lots of recommendations this week, coming from Hayat, DANisha, Rayyan, Toni-Ann, Aziza, Aras and Rehaf! The books are: The Girl with the Dragon Heart by Annie Burgis, Cartoon Kid Supercharged by Jeremy Strong, Today I'm Strong by Nadia Hussain & Ella Bailey, Lost and Found by Oliver Jeffers and You make me Happy by Smriti Prasadam-Halls & Alison Brown. A great range of books for early readers through to experienced ones and tackling some familiar assembly themes. Enjoy!

Sports Personality of the week!

This week Sports Personality of the Week is ... **Daniella** (Yellow)

Daniella had a tremendous PE lesson on Wednesday. This term Year 1 started their gymnastics lessons and Daniella seems to be improving week by week. This week, Year 1 have been travelling on benches using different body parts and Mr. Samuel was very impressed with Daniella's ability to travel using her stomach while sliding; along with her arms and legs while performing her crab walk.

We can't wait to see how she progresses even further in the coming week. Well Done Daniella!!

Attendance Success!

Well done to: Purple Class with a fantastic 98.26%

They were closely followed by Orange Class and Crimson Class!

Thank you to all our families with supporting the children to be in school every day and on time. We really appreciate all that you do.

As this is the first winter without pandemic for two years, our children may be more susceptible to winter bugs and viruses and the blog provides useful guidance on prevention.
